# Travel Buddy

Folded:  
45 x 41 x 16 cm

Backpack  
(recycled material)

## Advantages:

- Four bobbins for approx. 200 grams of wool each.
- Stand-alone lazy kate for three bobbins.
- Dutch tension: a bobbin-led wheel with aerodynamical design of the flyer. Experience spinning with a very low pull on the yarn.
- Five ratios and an orifice of 18 or 12 mm. Suitable for spinning thick, thin and art yarn.
- The 12 mm orifice insert can be oriented to prevent wobbling yarn.
- Sliding guides with an opening. Insert the yarn instead of pulling it through.
- Easy to assemble construction.
- Packaging without disposable plastic.
